REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lake City Elementary has had a very productive 2008-2009 school year. LCE is home to 492 students in grades 4K-5. Our school underwent a change in leadership this year as well as the addition of three new teachers. All stakeholders experienced a renewed enthusiasm as students, parents, community, and staff bonded together to ensure that all children made gains.

LCE uses a standards-based curriculum that incorporates technology and arts to engage and excite children. The continuation of the Teacher Advancement Program provided teachers with site-based staff development centered around authentic student work analyzed on a weekly basis. Data-driven instruction was the heart of our program as we made strides to meet the needs of the individual child.

Among our accomplishments this year was the awarding of our ABC arts grant. The students received instruction in lessons that were infused with drama, dance, and art. We were fortunate to have three artists in residence. Students learned to express themselves through African dance, increase comprehension using dramatic readings, and dissect difficult mathematical problems with movement and dance. LCE is extremely proud of our program to help "Stamp out Childhood Obesity." Parents, students, and staff strove to participate in the walking club, eat more nutritiously, and exercise. Students were offered salads daily as a nutritious option for lunch. Parents were invited to come in on Friday mornings and exercise with their children. Students also participated in the Reading Counts program. LCE's Gentleman's Club provided our fifth grade males with exposure to excellent role models. We saw an increase in our fathers, uncles, and grandfathers stepping up to help our young men become well-rounded citizens.

LCE continued to see an increase in parental involvement in our monthly curriculum meetings, which were designed to help parents to understand the standards their children were learning. Parents participated in our three-mile walking field trip to celebrate literacy. Other exciting events strongly supported by our parents this year were our Father/Daughter banquet, Mother/Son banquet, Art's Night, Black History Program, and Field Day.

LCE continued to strengthen relationships with the community. Our Ladies Club completed several service learning projects which included collecting canned goods for the needy and weekly communications for residents at our local nursing homes. LCE also hosted our first Minister's dinner to encourage partnerships with our local churches. Our annual Track-or-Treat provided area children of all ages a safe alternative for trick or treating.

We anticipate soaring to new heights and providing learning opportunities that will result in all students reaching their potential, as well as achieving academic excellence. Our motto for the upcoming year will be, "Building Excellence: Every Child, Every Chance, Every Day."
